How do I share HSI Blue Ocean Brain content?

To share a HSI Blue Ocean Brain asset or Lesson, navigate to the desired Lesson or asset, then select the "Share" Button. After selecting the "Share" button in HSI Blue Ocean Brain, the asset or Lesson will open a new email within your default email provider, pre-populated with a summary and link to the specific HSI Blue Ocean Brain content. Enter the email address(es) of your desired recipient(s) and press send!

Note: If you are pressing the Share button within HSI Blue Ocean Brain and a new email window does not pop open, please check the appropriate settings to ensure the "mailto" protocol function works properly on your operating system.

To print a HSI Blue Ocean Brain Article, navigate to the desired content in HSI Blue Ocean Brain either through the homepage or Library. Open the article and select the Print button located beneath under the title of the asset.

How do I save and/or bookmark items in HSI Blue Ocean Brain?

Selecting the Bookmark icon on content in the HSI Blue Ocean Brain platform will save that item to your Bookmarks section.

To save the currently featured Lesson from the Home Page: Navigate to the HSI BOB home page, hover over the cover image with the title of the Lesson, and select the Bookmark button at the bottom right corner of the image or tile.

To save the currently featured article: Click into the article from the HSI BOB and click on the Bookmark button below the article title and Progress bar.

To save a recommended or recently featured Lesson: Navigate to the BOB Library, hover over the cover image for the desired Lesson, and select the Bookmark button in the bottom left corner.

To save a Lesson or article after searching the Library: Select the Bookmark button under the desired item in the list of search results.

How do I locate the Bookmarks page?

If accessing Blue Ocean Brain through a web browser, select Bookmarks in the top navigation bar. The Bookmarks page contains any content saved throughout your HSI Blue Ocean Brain learning journey.

If accessing Blue Ocean Brain through the mobile app, select the three lines at the top left of the menu bar, and the menu options will slide over from the Select Bookmarks.

Note: Up to 100 items may be saved at a time. Bookmarked Blue Ocean Brain content will remain on the Bookmarks page permanently until removed.

How do I remove a Bookmarked item in HSI Blue Ocean Brain?

To remove an item from the Bookmarks page, navigate to the Bookmarks page in HSI Blue Ocean Brain.

Select the Bookmark icon under the description of the item you wish to remove (selecting the Bookmark icon again will save the item again). Refresh the page to confirm the removal of the saved/Bookmarked item.
