SDS response card-phone	4x6, 2x3.5	Phone sticker, Magnet, Badge
SDS response card-URL	4x6, 2x3.5	Magnet, Badge

How To Customize Your Signage

1. Open the file in Adobe Acrobat.
2. Click on the editable fields: phone number, URL or company logo (lower left corner of poster documents)
3. Click on the phone number or URL and replace it with yours.
4. Add your logo on the bottom left corner of the posters by clicking on logo icon, browse your files for the logo/image file you want to use then click the OK button. You might need to resize the logo before uploading to achieve desired look.
5. Save edited files
6. Print files for us or send to whichever vendor you use to print stickers, posters, etc.

About HSI

HSI is a leader in Environmental, Health and Safety (EHS) and workforce development software, training, and compliance solutions. HSI provides e-learning content, training capabilities, and cloud-based software, integrated to enable your business to improve safety, compliance, and employee development.

Across all industries, HSI helps safety and technical managers, human resources, first responders, and operational leaders train and develop their workforce, keep workers safe, and meet regulatory and operational compliance requirements. HSI's content and training solutions span categories from safety, technical and trade crafts, to employee and leadership soft skills, to CPR, first responder and active shooter. Their integrated suite of solutions, including learning management, safety management, chemical SDS management, and more, helps businesses not only train employees but monitor and manage multiple workflows in one system, with one partner.
