## HSI's Emergency Care

training and professional continuing education programs are currently accepted, approved or recognized as meeting the requirements of **more than 6,200** state and federal regulatory agencies, occupational licensing boards, national associations, commissions, and councils in **more than 550** occupations and professions.

### Our programs have received approvals for such occupational categories as:

- Fire and EMS
- Healthcare and Assisted Living
- Law Enforcement and Corrections
- School Districts and Child Care
- Lifeguards
- Utilities
- Oil, Gas, and Resource Extraction
- Construction
- Transportation
- Government
- Parks and Recreation
- Sanitation
- Marine and Shipyard Personnel

...and hundreds more!

Since 1978, ASHI and MEDIC First Aid authorized instructors have certified nearly **35 million** emergency care providers in the U.S. and more than **100 countries** throughout the world

HSI, the American Heart Association (AHA), and the American Red Cross (ARC) are the largest providers of CPR training in the United States. HSI's ASHI, EMS Safety, and MEDIC First Aid brand training programs are equivalent to the CPR, AED, and first aid training programs offered by the AHA and ARC.

Meets Occupational Health and Safety Administration (OSHA) Training Requirements and Recommendations for training workplace first aid providers

ASHI and MEDIC First Aid programs conform to the:

- 2015 AHA Guidelines Update for Cardiopulmonary Resuscitation, Emergency Cardiovascular Care, and the annual Guidelines Update
- 2015 AHA and ARC Guidelines Update for First Aid and the annual Guidelines Update
- 2015 Caring for Our Children Basics: Health and Safety Foundations for Early Care and Education. Administration for Children and Families, U.S. Department of Health and Human Services
- 2011 Standards for First Aid and CPR training of the American Academy of Pediatrics, American Public Health Association, and National Resource Center for Health and Safety in Child Care and Early Education, Caring for our children: National health and safety performance standards; Guidelines for early care and education programs. 3rd edition
