RELIABILITY MATTERS

Mechanical Maintenance/Millwright Course Bundle

156 Total Lessons

100 Industrial Math and Science *(10)*

170	Industrial Mathematics	(3)
171	Industrial Sciences	(7)

200 Industrial Maintenance *(99)*

Includes all 200 series lessons in our library

201	Introduction to Industrial Maintenance and the Tools of the Trade	(5)
202	Belt Drive Maintenance	(8)
203	Bearing Maintenance	(6)
205	Gear Maintenance	(4)
207	Rotating Machinery	(3)
208	Piping and Tubing	(7)
209	Shaft Alignment	(7)
211	Chain Drive Maintenance	(2)
213	Lubrication	(5)
215	Valve Selection and Maintenance	(15)
219	Centrifugal Pumps	(8)
223	Heat Exchangers	(3)
225	Compressors	(5)
229	Fasteners and Seals	(6)
231	Positive Displacement Pumps	(3)
243	Hydraulics	(3)
271	Vibration	(3)
273	Boiler Repair	(6)

400 Electrical Maintenance *(13)*

401	Direct Current (DC)	(5)
402	Alternating Current (AC)	(7)
421	Wiring Installation *421-01 Wire and Cable Management*	(1)

600 Instrumentation and Control *(6)*

609	Calibration and Troubleshooting *609-03 Introduction to Troubleshooting*	(1)
611	Prints and Drawings	(5)

800 Industrial Machining and Welding *(28)*

Includes all 800 series lessons in our library

801	Precision Measurement	(7)
803	Layout and Bench Work	(2)
805	Vertical Milling Machine	(1)
807	Engine Lathe	(1)
809	Surface Grinder	(1)
811	Pedestal Grinder	(1)
813	Bandsaw	(1)
815	Drill Press	(1)
820	Rigging, Lifting, and Elevated Work Surfaces	(7)
841	Welding and Cutting for Maintenance	(6)
